## ZSK-India Research and Application Foundation

*ZSK- India, a premier learned society of zoologists from India and abroad is happy to launch an India Initiative with establishment of The Zoological Society Research and Application Foundation (ZSK- RAF) for Human Welfare to promote applied research and knowledge based applications for developing linkage between human community and Zoological Sciences in Indian context.*

*Programmes and Centres of activity envisaged under ZSK- Research and Application Foundation (ZSK-RAF) for Human welfare are:*

1. Dr. Dharitri Mitra Tarafder Memorial Centre for Applied Entomology
2. Dr. Hiralal Chaudhuri Memorial Centre for Animal Resources and Sustainable Development
3. Prof. Asok Ghosh Memorial Centre for Human diseases and Translational research
4. Prof. N.C. Datta Memorial Centre for Ecosystems and Environment Management

## Enrichment Spectrum at the ZSK- India RAF

- Emphasis on creating self-learning space for participants
- Interaction with eminent scholars and academicians
- Four Quadrant Approach (Offline tutorial, e-tutorial, e-content, Self-Assessment and Web Resources).
- Regular follow-up with the participants through Google Classroom/ Telegram/ Discussion Forum.
- Adaptation skills for the dynamic contemporary environment
- Augmentation of professional capabilities and research-based knowledge
- Inter and cross-disciplinary methodologies of study
- Co-creation and mutual contribution between participants and facilitators
- Formation of knowledge capital

## Objective of the Refresher course

The prime objective of this 100 days' refresher course is to review and update knowledge on key concepts of Life/ Zoological sciences for competitive success.
