Date : 28.04.2025

Dear esteemed ZSK members,

ZSK alongwith the Department of Zoology, CU would jointly organise a one day international symposium on 30th may, 2025 (Friday) to commemorate the birthday of Prof. Parthib Basu who left us late last year. He was an active member of the ZSK executive committee as well as was working as an editor for our society journal.

Eminent scholars from the field of Ecological Sciences would speak on this occasion to pay homage to the memory of Prof. Basu who himself was an eminent scientist in the field of Agro-ecology.

ZSK also encourages young researchers working in the field of Biodiversity and Ecology. For that, we would invite abstracts from interested scholars/students who can showcase their work either by oral/posters.

We are sharing with you the first flyer for the occasion and requests teachers/Pis to motivate students for abstract submission. 15th May is the last date for abstract submission.

We sincerely hope that all of you would help us to make this meeting a success.

Thanking you,

Sincerely,

[*Prof. Sagartirtha Sarkar*]

Honorary General Secret

Note: As we can maximally accommodate 100 participants, ZSK members are requested to pen down one line to this email address, as a confirmation of their participation. Details of program would be circulated shortly.
